Emergency Phone: \_\_\_\_\_

Insurance Policy Name and Number:  
\_\_\_\_\_

*I hereby authorize the staff and cheerleaders of Colonial Forge High School to work with my child in the Cheerleading Clinic. I understand that my child will be dancing, jumping, and performing athletic activities.*

Campers will learn a variety of jumps, dances, and cheers. They will also learn stretching techniques and ways to keep in shape out of season. Each group will be led by members of the Colonial Forge Varsity Squad.

The campers will have a good time with their peers and their teachers while learning all about cheerleading.

Please provide your child with water, and dress them in comfortable clothes.

On the final day, there will be a performance for the cheerleaders to show their family and friends what they have learned.

Campers will receive a t-shirt as a part of the camp. They will wear this t-shirt on the last day of camp for the performance.
